CJ, YJ, XJ, MJ Lock Cylinder Assembly Instructions
Replaces P/N: 8122874K, 8122874K2, 8122874K3

The arm on the back of these lock cylinders are designed to work with 84/90 XJ Cherokee, 86/90 MJ Comanche, 87/90 YJ (tailgate only), and 81/86 CJ-7,8 (tailgate only). In order for these to function on the doors for YJ and CJ models the arm must be removed from the OE lock cylinders and installed on the replacement cylinders.

While every attempt is made to ensure that the information contained in these instructions is correct, no liability can be accepted by the authors for loss, damage, or injury caused by any errors in, or omissions from the information given. All service should be performed by qualified mechanics. Crown Automotive Sales Co., Inc. cannot be held responsible for any mechanical work performed. Standard and accepted safety precautions should be used in every procedure.
