67

68

69

70

**CAUTION: SECURE HARNESS TO TOWING DEVICE
TO ALLOW FULL MOVEMENT IN ALL DIRECTIONS.
AVOID ALL MOVING PARTS AND PINCH POINTS.**

Attention: Assurez-vous de fixer le connecteur de remorquage de manière à permettre un mouvement complet dans toutes les directions. Veillez à éviter toute pièce mobile ou zone susceptible de pincer le connecteur.

Precaución: Asegúrese de asegurar el conector de remolque de manera que permita un movimiento completo en todas las direcciones. Asegúrese de evitar partes móviles o áreas que puedan pellizcar el conector.

SECURE STRAP OVER HOOK

PROPER CONNECTION WHEN IN USE

L'utilisation correcte du connecteur de remorquage est illustrée ici

El uso correcto del conector de remolque se muestra aquí

La sangle de remorquage doit être fixée au crochet
La correa de arrastre debe ser asegurada sobre el gancho

**DISCONNECT CABLE FROM
TOW VEHICLE WHEN NOT IN USE**

Débranchez le câble du véhicule de remorquage lorsqu'il n'est pas utilisé
Desconecte el cable del vehículo que se remolca cuando no esté en uso
